

DIVERSITY & INCLUSION IS GOOD FOR BUSINESS

What does it mean?

DIVERSITY

...IS BEING INVITED TO THE PARTY

INCLUSION

...IS BEING ASKED TO DANCE

BELONGING

...IS DANCING AS IF NO ONE'S WATCHING

Inspired by Vernā Myers, VP, Inclusion Strategy at Netflix

Ethnicity

Sexual orientation

Gender

Education

Race

Age

Personality

Disability

Background

Religion

It means to value and provide equal opportunities to everyone.

It also means to create inclusive solutions for an inclusive marketplace.

85%

of companies with a formal D&I program show an improved bottom line*

33%

is how much more productive businesses can be with a diverse workforce*

43%

of businesses which have diverse boards are more likely to realise higher profits*

*Sources: McKinsey & Company, PwC

Benefits of D&I

INCREASES PRODUCTIVITY

ATTRACTS TALENT

EXPANDS INNOVATION

BUILDS REPUTATION

REDUCES TURNOVER

3 steps to get you started

1. DIVERSIFY YOUR WORKFORCE

Define the hiring process, which is fair and transparent to everyone.

2. BUILD INCLUSIVE CULTURE

Foster embracing differences; encourage respectful company culture; bring awareness through training and seminars about inclusion; broadcast success stories.

3. MEASURE EFFECTIVENESS

Define and measure simple and clear goals and objectives.
